Re: *In the Matter of Bank of Louisiana*
Docket No. FDIC-17-0086k

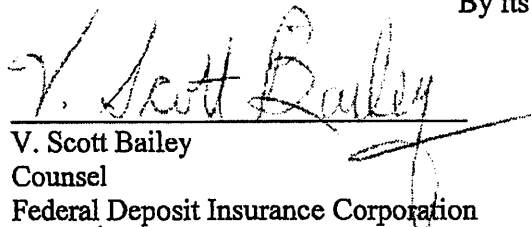

Dear Mr. Scott:

We are in receipt of two documents transmitted on April 3, 2019 and April 4, 2019, entitled "Interlocutory Appeal of Denial of Motion for Recusal" and "Bank of Louisiana's Request for Production of Documents." Both documents were ostensibly transmitted in connection with the above-referenced administrative enforcement matter.

The record connected with this proceeding was closed and the matter was submitted to the FDIC Board of Directors for final decision on February 28, 2019, pursuant to 12 C.F.R. § 308.40(a). Consequently, FDIC Enforcement Counsel believe that both of the Bank's attempted filings are improper under the FDIC Rules of Practice and Procedure and that, therefore, no response is required or appropriate. Furthermore, with respect to the Bank's attempted Request for Production of Documents, FDIC Enforcement Counsel believe that this discovery attempt is untimely and that no mechanism for additional discovery is provided under Part 308 related to this case.

Sincerely,

FEDERAL DEPOSIT INSURANCE CORPORATION
By its Enforcement Counsel:
